Dear Parents:

On behalf of our faculty and staff, it is my pleasure to welcome you to the 2017-2018 school year at Mickey Cox Elementary School.

This handbook was prepared to provide a convenient reference for basic and essential information concerning the philosophy and operation of the school. Please, take time to read it thoroughly. We hope that it will give you a sense of what Mickey Cox is all about and that you will find it useful and informative. Our doors are always open to your questions, concerns, and participation.

We have been accorded the honor of being named a California Distinguished school four times, received national recognition as a Blue Ribbon School and a Gold Ribbon Distinguished School. These honors continue to validate the efforts and dedication of the teachers, staff, students and parents. Our challenge is to strengthen the foundations that brought our school this honor.

We have enhanced our methods of diagnosing the instructional needs of our students through our assessment program, using common formative assessment testing results to drive instruction and our Illuminate Program to create ongoing assessment aligned to the Common Core State Standards. Another key factor in the achievements made at Mickey Cox is the participation of parents in our children’s educational lives. We operate on the premise that we will not sit back and merely say that we want the very best for our children, but we will help our children to be the very best they can be.

We believe in the power of collaboration and teamwork as we work toward the same goal: educating children so that they become adults who are sound in Mind, Body and Spirit.

The Mickey Cox Spirit will continue through the 2017-2018 school year as we “work hard, play fair, and take care of each other.”

Sincerely,

Cheryl Floth
Principal

DISTRICT MISSION

To be a quality education system providing the opportunity for all students to reach their potential in mind, body and spirit.

SCHOOL MISSION

The Mickey Cox staff will collaborate as an educational team to establish high expectations, implement a rigorous curriculum, provide an engaging environment, and impart values in order to support all students in becoming independent, life-long learners.

SCHOOL BELIEFS

• We believe that school decisions should be based on what is best for children and not necessarily adults.
• We believe that all students are capable of learning and being productive and self-sufficient citizens.
• We believe that a successful partnership between the home and school will directly improve student achievement.
• We believe that curriculum content must reflect high expectations and relevancy for students and families.
• We believe that essential learning occurs in both curricular and co-curricular programs.
• We believe that the school should maintain a safe and orderly environment.

SCHOOL GOALS

The following school-wide goals have been established for the 2017-2018 school year:

1. Every student at Mickey Cox will become competent within the scope of the CUSD Grade Level Benchmarks in mathematics and language arts as evident on Interim Clovis Assessment Language Arts (iCAL) and Interim Clovis Assessment Mathematics (iCAM).

2. Writing skills will become an instructional priority at all grade levels.

3. Implement a comprehensive program for English Language Learners that provide English language development.

4. Mickey Cox will receive a superior rating in all categories outlined in the 2017-2018 CUSD CLASSI Model.

5. As of June, 2018, all of the students in grades 3-6 will score at or above the proficient level on the CAASPP Common Core Assessments in Language Arts.

6. As of June, 2018, all of the students in grades 3-6 will score at or above the proficient level on the CAASPP Common Core Assessments in Mathematics.

7. As of June, 2018, all of the students in 1st grade will score a 2, 3, or 4 on the iCAM District Assessment and achieve a minimum level 12 (a level 16 is optimal) on the DRA assessment. All Kindergarteners will score at or above level 4 on the DRA assessment.

1:07 P.M. – 3:00 P.M. Class
340 Minutes

EVERY WEDNESDAY SCHOOL DISMISSED AT 1:30 P.M.
GENERAL INFORMATION

ARRIVAL AND DISMISSAL
Supervision is provided only during the school day, starting at 7:55 a.m. Students should not arrive at school before 7:55 a.m. All students should go home immediately at the end of the school day or be picked up within 10 minutes of school dismissal unless they are involved in an after school activity or as approved by the teacher and parent.

Parents who wish to have their student excused early must come to the office and then the child will be called from class. Upon arriving back to school, the parent should check their child back into school. A sign-in and sign-out sheet is provided for parent/guardian signature. Please adhere to this policy to ensure the safety of your child.

CHANGE OF ADDRESS
Parents must come to the office to process address changes as soon as they occur. Failure to do so may result in the student being denied a transfer.

ATTENDANCE
Regular school attendance is important to your child's progress. When it is necessary for your child to be absent from school or come to school late, he/she should have a note from home explaining the reason(s) or a doctor’s verification of his/her visit. In addition, we encourage you to telephone the school office in the morning when your child will be absent. Absences may also be cleared by utilizing our school website at: cox.cusd.com/parents/attendance. All absences must be cleared within twenty-four hours of occurrence.

It is a well-established fact, that faithful and regular school attendance is directly related to student achievement and success. The California Education Code 48200 requires all children ages 6 to 18 to attend school and be on time. Clovis Unified requests that students absent for three or more consecutive days receive a note from the doctor or be seen at one of the three CUSD Health Clinics.

In the event of an absence, the California Education Code specifies the following reasons for excused absences:

1. Funeral (1 day allowed in state and 2 days allowed out of state)
2. Wedding (1 day)
3. Doctor’s verified illness or office visit (school must be provided with note from doctor’s office)

If your student will be absent five days or more from school, an independent study contract can be set up which will help maintain continuity in your child's studies. Please notify the school office at least one week prior to the scheduled absences so that the necessary paperwork can be filled out.

For appointment purposes, a child can be counted as present if he/she is in school for any portion of a day. Therefore, if your student is absent for any part of a school day (family emergency for example), it is still better to bring them to school for a part of the day rather than have their absence be unexcused for the entire day. Parents are urged to schedule medical appointments in the afternoon, on staff development days, or designated early release days. Students will be called to the office upon arrival of parents or person requesting the checkout of the student(s).
If a student's absence from school is unexcused, they are not entitled to make up work missed during the absence.

Parents will be notified of a student's excessive absences and/or tardies and referred to the school’s SARB coordinator for a scheduled meeting. Failure to resolve the truancy concerns will result in a referral to the CUSD Master SARB. All absences and tardies verified by your student’s doctor will be excused and not tallied in SARB determinations.

**TARDIES**
First through sixth grade students not in their seats by 8:15 AM are considered tardy (A.M. kindergarten starts at 8:00 AM and P.M. kindergarten starts at 11:30 AM.) First through sixth grade students are allowed three (3) tardies per semester. On the fourth (4th) tardy, and every tardy thereafter, the parent will be contacted and the student will be assigned study hall for each tardy. Habitual problems with tardiness will be dealt with by the GIS, principal, and/or the District Student Services and School Attendance (SSSA) office.

**FOGGY DAY SCHEDULE**
On extremely foggy days, the Clovis Unified Transportation Department may call a “Foggy Day.” Foggy Days will be broadcast over most local radio and television stations starting by 6:30 AM. On such days, Mickey Cox students who walk or have their own transportation to school should arrive at their normal time as school will begin at 8:15 AM; however, parents are advised to exercise discretion relative to particular conditions in and around their respective areas.

**GRADING POLICY**
Mickey Cox students in grades 2 - 6 are graded on the following scale:

<table>
<thead>
<tr>
<th>Effort</th>
<th>Achievement</th>
</tr>
</thead>
<tbody>
<tr>
<td>O = Outstanding</td>
<td>A = 90-100% (outstanding work)</td>
</tr>
<tr>
<td>S = Satisfactory</td>
<td>B = 80-89% (above average work)</td>
</tr>
<tr>
<td>N = Needs to Improve</td>
<td>C = 70-79% (average work)</td>
</tr>
<tr>
<td></td>
<td>D = 60-69% (below average work)</td>
</tr>
<tr>
<td></td>
<td>F = Below 60% (failing work)</td>
</tr>
</tbody>
</table>

Both of these criteria scales are easy ways to help parents to see and understand their child's academic progress.

Kindergarten and First grade students receive trimester reports indicating their progress towards mastery.

**PROGRESS REPORTING**
In addition, it is the Clovis Unified School District's policy that parents be notified whenever students are in danger of failing classes or subjects. The following policy will be in effect at Mickey Cox Elementary:

1) A progress report will be completed for all students in second through sixth grades.

2) The student will be informed of the report and it will then be sent home for the parent to sign and returned to the school within three (3) days.
3) This notice must be sent home on the fifth week of the quarter. Failure to notify the parents during this week will result in a passing grade being issued or the grade of the previous quarter being placed on the report card.

**HOMEWORK GUIDELINES**

At Mickey Cox Elementary, we believe that homework is an integral part of the educational process. It is an extension of the classroom, giving students reinforcement in using what has been taught in the classroom. It allows students to develop self-discipline and self-confidence. Homework encourages students to work independently, use time wisely, and develop a sense of responsibility. Homework fosters good study habits that will be useful throughout the individual student's school career.

Homework provides a communication between home and school. It gives parents an opportunity to see what the student is doing in school and an idea of the student's progress. Parents become involved in their student's education as they encourage them, assist them, and provide positive reinforcement. Each student will work better when they sense their parents are interested in their schoolwork.

The homework assigned by our teachers is designed to provide extra practice in and reinforcement of the skills taught in the classroom. Normally, a teacher may expect and/or require a student to devote up to twenty minutes (grade 1), thirty minutes (grades 2-3), and forty-five minutes (grades 4-6) to after school study time.

If your child is not regularly bringing home school work, it is suggested that you contact your child's teacher for clarification. An excessive amount of time required for homework is a signal that something is wrong. Generally, when students must devote an excessive amount of time to homework, it is due to one or both of the following reasons:

1) The student may not be applying himself. For example, anyone can easily take an hour to complete a thirty-minute task due to frequent interruptions, distractions or lack of attentiveness.

2) Some of the work may be that which was intended and expected by the teacher to be completed during class time. When students fail to complete class work in the allotted class time, the work must be completed at home.

If either of these conditions exists and the child seems to be devoting an extraordinary amount of time to school work at home, the parent should contact the teacher immediately to determine and resolve the problem. If allowed to continue, this situation is stressful to the student, parent, and teacher.

Parents can be helpful in making homework meaningful and productive for the student. We encourage the following:

1) Establish a regular time and place in the home for the child to do his/her homework. The place, of course, should be relatively free of distractions. The time must be determined by the family's schedule; however, a consistent time each day is most conducive to the development of good study habits.

2) Remember that the responsibility for completing homework assignments is the student's, not the parent's. No student is required to do at home anything he/she does not know how to do or is incapable of doing. The parent, therefore, should be expected only to encourage
the child and/or provide some guidance. In some cases, specific arrangements concerning guidance and monitoring may be developed with the teacher.

3) Inform the teacher immediately if difficulties occur with respect to the student's homework routine.

4) Do not allow the student to fall into the habit of making excuses for not completing homework assignments. If there is a legitimate reason for not completing the assignment, the parent should communicate it to the teacher. The teacher may, then, allow the student to turn in the assignment late.

**CAMPUS CLUB**
Campus Club provides quality childcare for school-age children before and after school. All day care is also offered during regular school vacations. The program is staffed with qualified instructors who work closely with the school staff to develop an enrichment program tailored to the needs of the school age child. The components of the program (thematic activities, outdoor activities, homework and snack) act as an extension of the child’s educational experiences. Questions regarding fees, procedures for enrollment or specific site information should be directed to the Child Development Department at 327-9160.

**LIBRARY**
The library offers books and a wide range of multi-media materials. Students are responsible for all overdue, lost, or damaged materials. Please return damaged books to the library for repair. Do not attempt to repair them at home. The library also houses a computer lab for students to utilize under the supervision of a teacher.

**LOST AND FOUND**
The lost and found box is located in the cafeteria. All coats and sweaters should have the student's name clearly marked on the label. This will make it easy to identify clothing that ends up in the lost and found box. All unclaimed items are given to charity on a quarterly basis. Again, it is recommended that the student's name be written on all clothing items that are frequently taken off, e.g.: coat, sweater, etc.

**LUNCH PROGRAM**
Breakfast is served in the morning before school for $1.00. Hot lunches, which include milk, are available to students in grades 1-6 for $2.25. We have implemented a debit card system so that students and parents can pre-pay any amount for lunches from $2.25 for a single lunch to any amount you wish to deposit. Milk is 40 cents for white, chocolate or strawberry. For free lunch program information, please contact the school cafeteria. Please note that no checks will be accepted after May 1st (cash only). In order to serve students lunch in a timely manner, all lunches should be prepaid no later than 11:00 AM each day. For your convenience, parents may pay on-line through Parent Connect or students may deposit money in the lunch mailbox located in the main office. Please note that balance notes sent home are courtesy notifications and that parents are responsible to keep track of lunch account balances and deficits.

**LUNCH DELIVERIES – AFTER 8:10AM**
Please check into the office prior to taking your student’s lunch to the stage area in the cafeteria. Also, please make sure the student’s name is on their lunch.
PHYSICAL EDUCATION
According to Education Code section 51210(a)(7), the District is required to provide, in the elementary setting, not less than 200 minutes each 10 schooldays, exclusive of recesses and the lunch period, physical education. Any complaints related to the failure of the District to adhere to this requirement may be filed under the District Uniform Complaint Procedures, BP/AR 9208, which is included in this handbook.

DISTRICT AND STATE TESTING PROGRAMS
The Clovis Unified School District is very much interested in the progress of all its students. We have several tests listed below that measure the ability and progress of our students at Mickey Cox. Please arrange for any appointments during testing timeframes to occur in the later afternoon to avoid interrupting the testing environment.

SONORA TRIP
The sixth grade students will make their annual trip to Sonora from March 14-16. Parent chaperones are needed for this trip. If we have more parent chaperones sign up than we can use, parents will be chosen by a lottery system. Sixth grade students will be given the opportunity to sell candy to help pay for the Sonora trip from November 3 through February 23.

STUDENTS GOING HOME FOR LUNCH
Students will be allowed to leave campus at lunch only if a parent reports to the office to pick them up. Students are not allowed to go home with friends to have lunch. Students are expected to return from lunch on time for class and signed back in by a parent in the front office.

VOLUNTEERING AT MICKEY COX
Volunteers are needed at Mickey Cox for a variety of reasons. Many children need individual help and encouragement in particular subject areas. When you come to school, please report to the office to obtain a visitor/volunteer badge. An individual flyer will be sent home at the beginning of school to solicit parent volunteers. All volunteers must have a completed volunteer form on file and must supply a photo identification. Volunteer badges will not be required to attend sporting events.

SAFE SCHOOL POLICIES AND PROCEDURES FOR VISITORS/VOLUNTEERS
Before school: When the bell rings at 8:15 AM, parents are to leave campus unless they have checked-in at the main office and obtained a visitor’s badge. Parents may not loiter on school grounds once school is in session.
After school: Visitors may be on campus 10 minutes before school is out for pick-up.

Civility Board Policy 9210: While on District campuses and premises, and/or attending or participating in District sponsored events, or activities, all staff, parents, and visitors will reciprocate civility, courtesy and respect. Unacceptable or disruptive behavior will not be tolerated and may
result in the temporary removal of the disruptive individual(s). (This is a synopsis of the board policy. Please refer to the CUSD website for the complete policy.)

Parent/Volunteer Procedures: Preapproval must be obtained through the classroom teacher prior to classroom visits. All visitors must report to the main office and obtain a visitor’s badge before being allowed on campus. Students may not bring non-Mickey Cox students on campus during the day. This restriction is due to space availability at the school and liability circumstances.

CO-CURRICULAR ACTIVITIES

Mickey Cox Elementary provides students with the opportunity to participate in a variety of co-curricular activities. We believe that participation in a wide variety of activities helps students to achieve balance in their academic, social, and emotional development. Therefore we have established the stated school-wide goal for upper grade students of 100% participation in some form of co-curricular activity.

CO-CURRICULAR ELIGIBILITY

Academic Qualifications

1. The student must maintain a 2.0 GPA (C- Average) to participate in any co-curricular program.
   a. Students not meeting the 2.0 GPA requirement will be placed on academic probation for one grading period only.
   b. Students placed on academic probation must attend the weekly study lab to remain eligible for co-curricular activities.
      i. Failure to attend weekly study lab will result in the student’s inability to practice or compete until attendance of the next study lab.
   2. Two consecutive grading periods below 2.0 GPA will result in the student being ineligible and removed from co-curricular activities until a grading period resulting in a GPA of 2.0 or greater occurs (note: eligibility is determined at the end of a grading period and could fall at any point of a sport or co-curricular activity. Therefore, it is possible that a student may be ineligible and removed during a sport/activity).

   • The end of grading period dates are:

      ➢ Friday, September 22, 2017
      ➢ Friday, October 20, 2017
      ➢ Friday, December 1, 2017
      ➢ Friday, January 19, 2018
      ➢ Friday, February 23, 2018
      ➢ Friday, April 6, 2018
      ➢ Friday, May 11, 2018
      ➢ Friday, June 8, 2018

   Attendance
   • The student must be in attendance the day of performance unless verified by the principal.
Citizenship
• Citizenship is to be satisfactory as judged by the principal. Students with serious discipline referrals may not participate in practice and/or subsequent games. The principal will have the discretion to suspend game practice and/or game privileges.

Uniforms and Equipment
• It is the player’s responsibility to return all uniforms and equipment issued to him/her the week after the final game of the season. The student is responsible for items damaged or not returned.

Quitting Policy
• If a student quits before the second league game, he/she may pursue a spot on another team but may not play on that sport’s varsity squad. If a student quits after the second game, he/she is not to join another team until the end of the season of the sport he/she has left.

Participation
• A student will abide by the Code of Ethics for the duration of each co-curricular activity or sport season in which he/she participates.
• An unexcused absence from practice will jeopardize an athlete playing in the subsequent game.

VOCAL MUSIC
All students in grades 5 and 6 may sing in the school choral program. Selected students are invited to sing in the Mickey Cox Concert Choir.

CLASSROOM MUSIC
Students in grades 2 and 3 receive classroom music instruction from the choir director for a minimum of one time a week. Students in grades 1, 4, 5, and 6 receive similar instruction from the band instructor for a minimum of one time a week.

INSTRUMENTAL MUSIC
Students in grades 5 and 6 are encouraged to participate in the instrumental music program. A limited variety of school owned instruments are available. Some parents may opt to rent or purchase instruments for their children.

DRAMA
All students in grades 4, 5, and 6 may try out for the school drama production. Students involved in the play must commit to attending all practices unless excused by the advisor.

ORAL INTERPRETATION
All students in grades 4, 5, and 6 may try out for oral interpretation. Students involved in oral interpretation must commit to attending all practices unless excused by the advisor. Students involved in the Oral Interpretation program present programs for the school and compete at the Annual CUSD Speech Festival.

INTERSCHOLASTIC ATHLETIC PROGRAM
Mickey Cox Elementary provides an interscholastic athletic program in which our teams compete with other elementary schools in the district. The goals of our athletic program are, 1) to teach and develop proficiency in the skills associated with each sport, 2) to develop the personal qualities of discipline, commitment, and sportsmanship associated with being a member of a team. The sports and their seasons are as follows:
**FALL SPORTS**
- Football: All Students, Grades 5-6
- Volleyball: Girls, Grades 5-6
- Cross Country: All Students, Grades 4-6

**WINTER SPORTS**
- Basketball: All Students, Grades 5-6
- Wrestling: All Students, Grades 4-6

**SPRING SPORTS**
- Softball: Girls, Grades 5-6
- Baseball: Boys, Grades 5-6
- Volleyball: Boys, Grades 5-6
- Track: All Students, Grades 4-6

Any eligible student may participate in our athletic program. All team participants are required to provide proof of insurance and complete a concussion awareness form. Insurance may be verified through a family policy or purchased through the school.

All athletes who represent Mickey Cox Elementary in a co-curricular activity will be asked to make a commitment prior to the start of the season/activity. Students and parents will sign the Mickey Cox Athletic/Co-Curricular Contract and the Code of Ethics which outline the expectations for all participants involved in co-curricular activities.

Most of the time team practices will occur after school three afternoons per week (Monday, Tuesday and Thursday) from 3:00 p.m. to 4:00 p.m. Games are scheduled on Friday afternoons beginning with the J.V. game at 2:00 p.m. and the Varsity game at 3:00 p.m. Varsity Baseball and Softball games will start at 2:45 p.m. during the Spring Sports Season. Game schedules will be available on our school website: [http://cox.cusd.com](http://cox.cusd.com)

**STUDENT COUNCIL**
The students at Mickey Cox learn the fundamentals of student government through the student council. Each semester, the students elect the following officers:

**President:** Must be a sixth grade student in good standing.

**Vice President:** Must be a sixth grade student in good standing.

**Secretary:** Must be a sixth grade student in good standing.

**Commissioner of Grounds:** Must be a fifth or sixth grade student in good standing.

**Commissioner of Athletics:** Must be a fifth or sixth grade student in good standing.

A student "in good standing" exhibits the traits of a Sparthenian student. Student Body Officers must have a 2.0 GPA, exemplary citizenship, and demonstrate respect for others. Students cannot be on academic probation as outlined in the Mickey Cox Athletic/Co-Curricular contract.
SPECIAL PROGRAMS

The school has a team of professionals to provide specialized assistance and support for parents, teachers, and students when needed. It is comprised of the following individuals:

**RESOURCE SPECIALIST**
The resource specialist is on campus five days a week. He/she is trained as a classroom teacher with special certification in special education and learning disabilities. The resource specialist provides specific prescriptive instruction in academic areas to students who have been certified as requiring such instruction. He/she plays an active role as a resource to teachers in designing and implementing teaching strategies for students with average intelligence, but experience discrepancies between ability and academic achievement.

**SCHOOL ASSESSMENT TEAM (SAT)**
Students, who show signs of abnormally low achievement, learning disabilities, or emotional difficulties, may be referred by the recommendation of the Student Study Team to the SAT. During the SAT conference staff members, parents, classroom teacher, and an administrator will participate in diagnosing and prescribing an appropriate educational program. All forms of evaluation require written parental consent.

**SCHOOL PSYCHOLOGIST**
The school psychologist is on campus two days per week. The psychologist is available to provide testing and psychological information beyond the scope of the classroom teacher. He/she plays a counseling role to parents and students and provides assistance to teachers in the implementation of effective teaching strategies for individual students exhibiting learning and/or behavioral difficulties. All psychological testing requires written parental consent.

**SPEECH AND LANGUAGE SPECIALIST**
The speech and language specialist is on campus two and one-half days per week. She tests and works with students who have certified needs in specialized remedial and developmental instruction in language proficiency, primarily speaking and hearing. In addition, she serves in an advisory capacity to teachers in the area of language development.

**STUDENT STUDY TEAM (SST)**
Students who are having difficulty with academics, but have not received formal testing, may be referred to the Student Study Team for evaluation. The team is comprised of the parent, classroom teacher, administrator, and other experienced teachers. A meeting is conducted and specific information about the student is gathered. A plan of interventions and strategies are compiled by the team and implemented during the following weeks, after which the team may reconvene to evaluate the progress made. Should further evaluation be indicated, the team may recommend more in-depth formal assessment by the Student Assessment Team.

SPECIAL FUNDING

**ENGLISH LEARNER PROGRAM**
Bilingual tutors assist students in the transition from their native language to English. Students remain in the regular classroom and receive instruction in English Language Development through CLAD/BCLAD teachers.
CATEGORICAL PROGRAMS
On an annual basis Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Categorical Aid Programs commonly called the Con Ap. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis Kids!

CUSD is proud and pleased to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

School Site Council (SSC)
English Learner Advisory Committee (ELAC)
District Advisory Committee (DAC) and School Advisory Committee (SAC)
District Learner Advisory Committee (DELAC)
District Migrant Education Parent Advisory Committee (DMEPAC)
District Indian Education Parent Advisory Committee (IPAC)
School and District level School Assessment Review Team (SART)
Intercultural and Diversity Advisory Council (IDAC)

We encourage all parents and guardians to become involved with their child’s education, at the classroom level, the school-wide level as well as the district level. Each school’s Single Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level parent committees provide input into each site’s SPSA and to the District’s Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Council or Committee, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you or go to http://www.cusd.com/specialprojects. These two school committees meet on a quarterly basis. The committees are comprised of administration, staff and parents. Students are also involved at the intermediate and secondary level.

Listed below are several parent committees that assist with categorical programs and funding. For more information, please call your school or go to: http://www.cusd.com/specialprojects.

**School Site Council (SSC):** All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel and is responsible for developing, implementing and evaluating the Single Plan for Student Achievement programs. Members serve for two years and are elected by their peers.
**District Advisory Committee (DAC) & School Advisory Committee (SAC):** The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities provided to students who are disadvantaged, English Learners, Foster Youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

**English Learner Advisory Committee (ELAC):** All schools enrolling 21 or more English Learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English Learners as well as conducts an annual survey. Members serve for two years.

**District English Learner Advisory Committee (DELAC):** Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site ELAC.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school’s SPSA and at the committee meetings.

**Rationale**
General District funds provide support for the District’s base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

**Philosophy**
All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

**Categorical Program Descriptions**

1. **After School Safety and Education Funds (ASES)** - This state funded and administered program provides three year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and
supportive services to help the students meet state and local standards in core content areas. The purpose of the ASES program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.

2. **Title I, Part A (Improving the Academic Achievement of the Disadvantaged)** - A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.

3. **Title I, Part A, Title X, Part C, Education for Homeless Children and Youths**: Title I, Part A funds to provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs. This reservation requirement is not formula driven.

4. **Title I, Part C (Migrant Education Program)** - A federal-funded program focused on providing services for migratory students and their families.

5. **Title I, Part D: Local Delinquent Programs**: A funded program that serve students who are neglected, delinquent, or at-risk; including programs involving collaboration with locally operated correctional facilities.

6. **Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals)** - A federal-funded program focused on teacher and principal training and recruitment programs.

7. **Title III (Language Instruction for English learners (ELs) and Immigrants)** - A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and Immigrants and helping these students meet the same challenging State standards required of all other students.

8. **Title VII (Indian Education Formula Grant)** - A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging State standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school’s School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall each school will send additional Information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community.

If you have any questions, please call your child’s school or the CUSD Department of Special Projects @ 327.9086, additional information may be found @ [http://www.cusd.com/specialprojects](http://www.cusd.com/specialprojects).

**GIFTED AND TALENTED EDUCATION (GATE)**
Special funding received from the State of California is utilized for students in grades 4-6. Students are certified as "gifted" based on standardized achievement test scores, group and/or individual intelligence test scores, and academic performance in the classroom.
NURSING SERVICES
School Nurse – School Health Services Assistant
A School Health Services Assistant will be in the health office 5 days a week. The HSA will contact parents/guardians regarding illness and injuries that occur during the school day. All HSAs are CPR/First Aid certified.
Credentialed School Nurses are on campus for the following:
- Mandated vision and hearing tests.
- Complete special education and 504 health assessments.
- Ensure immunizations are compliant with CA state law.
- Provide health education resources for school staff, students and parents/guardians.
- Maintain student health records.
- Contact parents/guardians regarding health problems and/or excessive absences.
- Communicate with health care providers regarding health issues and impact on education (within HIPPA regulations).
- Develop health/safety plans for students with high risk medical diagnosis.

First Aid, Illness, Injuries
- If a student is injured or ill at school he/she will receive every care and consideration.
- Parent/guardian will be contacted for serious injury or illness.
- School nurse is available to consult with parents/guardians regarding health problems upon request.
- After extended illness or injury parent/guardian should follow up with school nurse for any needed care or accommodation.
- Injuries and illnesses occurring at home should be cared for at home.
  - Upon student’s return to school parents are to provide documentation from health care providers indicating any limitations or special considerations/equipment necessary to the student’s continued care at school.

LICE
Clovis Unified School District operates on a NO LICE policy. Students will be sent home if evidence of lice is found. Students may not return until treatment has been completed and hair/scalp are free from nits and lice.

Reasons to keep students home:
Fever 100.0F or greater within 24 hours
Illness affecting child’s ability to learn
Vomiting/Diarrhea
Starting antibiotics within 24 hours
Sore throat, especially with headache and/or upset stomach (these are symptoms of strep throat).

RETURN TO SCHOOL
If a student is sent home with fever, they may not return the next day. Student may not return until the following criteria are met:
Symptom free for 24 hours. This includes fever vomiting, diarrhea, cough and rash.
Free from fever for 24 hours without use of fever reducing medication such as Tylenol or Motrin.
Student should complete 24 hours of antibiotic treatment prior to returning to school (if treated with antibiotics).
Students must check with health office and be cleared to return. Class checks are no longer part of district policy.

**MEDICATIONS**

ALL medications (even over the counter medications including Tylenol, Advil, cough drops and eye drops) must be checked in through the Health Office.

- CA Education Code Section 49423 requires that any medications to be taken at school must be presented with:
  - A written statement from the physician detailing the name of medication, amount, method and time medication is to be taken.
  - A written statement from the parent/guardian indicating their desire for the school to assist the pupil in the matters set forth in the physician’s statement.
  - Medication must be clearly labeled and sent to school in the original container from the pharmacy.

- The Medication at school form is available from the school or on the district web site under Departments – Nursing – Medication at School form.

- The Health office does not keep medication for general student use.

**FIRST GRADE PHYSICALS**

California State Law requires that all children entering first grade have a Child Health and Disability (CHDP) physical examination within 18 months of beginning first grade. It is necessary to provide the health office with proof of this physical.

**CHILD PROTECTIVE SERVICES**

It is important parents understand that all school personnel are “Mandated Reporters” of child abuse. Should a staff member have even the slightest suspicion that a child has been abused, they must report it to Child Protective Services (CPS).

**DRUG PREVENTION POLICY**

Because the use of alcohol, tobacco and other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences, the Governing Board believes it is necessary for the schools of the District to be free of alcohol, tobacco and other drugs.

**IMMUNIZATIONS**

Parents of kindergarten children and those registering from out of state will provide proof of immunization at the time of registration. Those transferring from other schools in California will provide

---

**Physical Education Excuse**

If a child is to be excused from P.E. for more than a 3 day period, a written note from a doctor is required.

This note should include a diagnosis and specific date for returning to PE as well as any limitations that might apply.

Crutches, wheelchairs and other devices require a doctor’s prescription indicating directions for use and the student has been educated to use the device.

**EMERGENCY CONTACT**

In case of an emergency parents/guardians will be contacted.

It is very important that the Health Office have updated contact information.

If there is a change in contact information please contact the health office to ensure the correct information is on your student’s health information card. (Changing information on Parent Connect does not alert or inform the health office.)
immunization dates, if Mickey Cox has not received their transferred records within thirty (30) days, a parent must either sign a waiver or the student may not attend school.

HOME/SCHOOL COMMUNICATION

Open communication between the home and school is essential to the progress and development of our students and the effective operation of the school. The parent and the school are partners when it comes to meeting the educational needs of the student. Establishing good communications is a major objective of the school and each teacher should be diligent in keeping in contact with parents concerning the progress of the child. In addition to personal contact between parents and school personnel, the following are the more formalized means of communication used at Mickey Cox Elementary School:

WEEKLY ROUND-UP
This weekly news sheet will be sent home every Friday with each student. It will highlight any upcoming events and provide you with a detailed account of the following week's scheduled activities. The Weekly Round-Up may also be accessed via the web at cox.cusd.com.

PONY EXPRESS
The school publishes this newsletter once each month from September to May. It contains information of importance regarding school activities, upcoming events, classroom highlights, and co-curricular programs.

ROBO CALLS
Important information will be share through an automated message as needed.

CLASSROOM NEWSLETTER
This weekly news sheet will be sent home or posted on a classroom website every week by your child's teacher. Homework assignments, upcoming plans, and general class information is disseminated through this weekly correspondence.

PARENT CLUB (PC)
This is a voluntary organization of parents that meet monthly to work on projects and programs to benefit the school. There is an annual membership drive in September. All adults are encouraged to join and support the school through this club.

PARENT TEACHER CONFERENCES
Conferences will be held during the month of October. Parents are also encouraged to request a conference at any time.

REPORT CARDS/PROGRESS REPORTS
Progress Reports are sent home after the fifth week of each quarter. Report Cards are sent home at the end of each quarter. Conferences are scheduled with all parents at the end of the first report period or as needed.

SART COMMITTEE
The School Assessment and Review Team meet on a quarterly basis to review components that comprise our total school and to offer input into methods of improving the various components. The objectives of the SART Committee are as follows:

1) To study and become knowledgeable about the various programs.
2) To discuss the effectiveness and appropriateness of these programs and components relative to the goals of the school.
3) To aid in assessing school community attitudes about the total school program.
4) To act as a communication liaison between the community and school.
5) To provide representatives for the District SART Committee.

SART / TITLE I PARENT SURVEY
Each year the school district sends home a SART/TITLE I survey with each student. This survey is used to obtain parent feedback regarding the strengths and weaknesses of the individual school program, and the extent to which the school is meeting the needs of the community. The survey is prepared jointly by the District and the SART Committee. Results from this survey are discussed with the school SART Committee. Improvements and/or changes are communicated back to the community through a special SART meeting at the start of the new school year.

RECOGNITION OF STUDENT ACHIEVEMENT
One of the quality indicators for exemplary schools is the existence of a school recognition program to provide positive reinforcement to students for a job well done. In an effort to promote curricular and co-curricular goals and to recognize student achievement in a wide variety of areas, the school provides many opportunities for students to receive recognition.

PHILOSOPHICAL NOTE: Children today are bombarded by a vast array of enticements, incentives and rewards for a variety of purposes, and from a variety of sources. Children generally are highly influenced and responsive to these kinds of "motivators". Therefore, it is essential that we, as parents and educators, use this vehicle in a positive and sensible way. Our use of recognition and student incentives is based on the following:

- The recognition structure in the school must include opportunities for everyone to achieve. Obviously, not everyone will be able to attain every award (Principal's Honors, for example), however, recognition for accomplishment or effort is available in many areas. This provides every student with the opportunity to receive his/her share of recognition in some area.

- There will be a quarterly awards assembly for all grade levels at which time students will receive recognition for curricular as well as co-curricular accomplishments. A schedule of these assemblies will be provided to all parents.

In addition to the forms of recognition used by teachers at the classroom level, the following are some of the school wide forms of special recognition available to students:

ATHLETICS
Recognition is given to all students who participate in an athletic program. Students will receive certificates and, possibly, special awards at seasonal assemblies.

BEN SCHUTZ MEMORIAL ATHLETIC AWARD
This award is given to the top 6th grade boy and girl who best personifies athletic ability and courage in honor of Ben Schutz, a former Mickey Cox student.

BIG FOUR MATH CLUB
Eligibility for our math club is based on the following criteria:
- 1st Grade Addition and Subtraction Fact Sheets (four minutes)
• 2nd Grade Addition and Subtraction Fact Sheets (three minutes)
• 3rd Grade Addition, Subtraction, Multiplication, and Division (three minutes)

All students that pass math facts at their grade level by the first week of May will be treated to lunch with the Principal or GIS.

**BLOCK MC**
The Block MC Award is the highest award a student may earn at Mickey Cox. This award is available to 4th, 5th, and 6th grade students who earn points that reflect a broad base of participation, achievement, and service each semester.

**HONOR ROLL**
Academic awards are based on the academic achievement of students in grades 4-6. This accomplishment reflects the student's effort in their studies. Academic Award certificates are presented in the classroom at the end of each quarter. The requirements for these awards include: 1) no D’s or F’s on the report card and 2) no N’s in effort or citizenship on the report card.

The following grade point averages are qualifications for Academic Awards:

**Principal's Honors (4.0 GPA):** A special certificate for those students who have achieved "straight A's" in certain pre-determined curricular areas. These areas include reading, math, language, spelling, science, and social studies.

**High Honors (3.50-3.99 GPA):** A special certificate for those students who have achieved a large majority of "A's" in qualifying academic areas, as stated in the Principal’s Honors.

**Honor Roll (3.00-3.49 GPA):** A special certificate for those students who have achieved "all A's or B's" in the areas listed under Principal’s Honors.

The following grade points are used to calculate the grade point average (GPA) for Honor Roll purposes:  
A = 4  B = 3  C = 2  D = 1  F = 0

**MOST IMPROVED STUDENT**
This award is given at the end of the year at a special assembly. A boy and girl student from each class will be honored.

**PERFECT ATTENDANCE**
Recognizing the relationship between learning and good attendance, special attention will be given to those students who have made the extra effort to attend school without missing a day. Only students who have attended a Clovis Unified School for the entire school year are eligible to receive this award. This award is given at the end of the year at a special assembly. All students with perfect attendance will receive special recognition with a certificate and perfect attendance medal. Students who are physically present on campus every day of the school year are eligible for perfect attendance. **Note:** If a student has been placed on an Independent Study Contract, he/she will **NOT** qualify for perfect attendance. This is considered an excused absence for State Apportionment purposes.

**PERSONAL RESPONSIBILITY AWARD**
This award is presented to two students from each class at end-of-the-year assemblies to recognize those individuals who have exhibited perseverance, responsibility, and cooperation.
PRINCIPAL'S MEDALLION
This medallion is presented to the top six 6th grade students in each room that exhibit outstanding academic achievement, participation in a wide array of activities, and strong inter-personal relationships as recognized by their teacher.

OUTSTANDING ATHLETES
This award is presented to one boy and one girl in grades 4 - 6 for outstanding athletic ability throughout the school year.

SPARTHENIAN OF THE QUARTER
This recognition is presented to the student who has demonstrated outstanding achievement in mind, body, and spirit as selected by the classroom teacher. Student will receive special recognition at a quarterly assembly and certificate.

STAR READER
This recognition is presented to the student who has exhibited to be an outstanding reader during the month, as selected by the classroom teacher. Student will receive special recognition at a quarterly assembly and a certificate.

STAR WRITER
This recognition is presented to the student who has exhibited outstanding writing during the month, as selected by the classroom teacher. Student will receive special recognition at a quarterly assembly and a certificate.

SPIRIT TICKETS
Rewards are presented to selected students through a weekly random drawing of tickets. Teachers reward students periodically as they are "caught doing something good" with these tickets.

STUDENT CONDUCT AND BEHAVIOR
As you know, there is a great deal of concern across the nation regarding discipline in the schools. Both educators and parents share this concern, because we know that without good, consistent, discipline it is impossible for students to do their best in school and realize their greatest educational potential. Mickey Cox Elementary maintains high, but not unreasonable standards of conduct and behavior for all of our students. A clearly defined discipline policy has been established and all students will be introduced to it through their classroom teacher during the first few days of school and reinforced with a rules assembly each semester. This will enable all students to be equally aware of expectations for their behavior and to make a conscious effort at the beginning of the year to meet these expectations. This includes violations such as fighting (physical contact and verbal altercation) threatening behavior and/or harassment (sexual, racial, gender, etc.) as well as district policies set forth in the appendix of the Parent-Student Handbook.

GENERAL RULES OF STUDENT CONDUCT AND BEHAVIOR
- Students will be expected to always follow the direction of the teacher when he/she gives instruction.
• Encourage students to settle arguments peacefully without name calling, pushing, hitting, etc. Intervention by teachers is encouraged.
• Students are not to go to the office without written permission or a pass from their teacher.
• Students may only play on the grass area or blacktop. Corridors and all other areas of the school are off limits.
• **There is to be no wandering in the halls.**
• No loitering in the bathroom will be allowed.
• No chasing games around the bathroom allowed.
• **Students, once out on the playground, cannot cross red line. The exceptions are as follows:**
  1. When a teacher calls a meeting.
  2. Called or sent to the office by a teacher.
  3. A student takes his/her lunch pail to set by his/her room after eating lunch (student then is to immediately go out to the play area).
  4. Student needs nurse's attention. The yard duty teacher should be aware of any injury. Students should ask to go to the nurse if they become sick or have someone ask for them.
  5. Any unforeseen emergency not listed above.
• Students may not stay in a room without the teacher present.
• Running is not permitted in the corridors or in the room.
• Students should take pride in moving from one place to another as a class.
• No toys may be brought to school (i.e., playground balls, card games, stuffed animals…) without the permission of the teacher or administrator.
• **No musical instruments left outside classrooms at any time.**

**RULES FOR HOME TO SCHOOL AND CO-CURRICULAR ACTIVITIES FOR SCHOOL AND CHARTER BUS USE**

The goal of the Clovis Unified Transportation Department through its support to the education programs is to provide safe, efficient, quality transportation to all students and employees while offering and promoting an environment that will enhance the learning abilities of each pupil.

**Board Policy #8301- Transportable Zones**
Grades K-6 residing in a 1 mile radius from school site
Grades 7-12 residing in a 2 ½ miles radius from school site
(Please note that all of the Mickey Cox attendance boundaries are within the 1 mile radius and do not qualify for free home-to-school transportation.)

**BUS CONDUCT**

**REQUIREMENTS FOR RIDING A SCHOOL BUS**
• Arrive at your bus stop five minutes before the scheduled leave time.
• Wait for your bus in a safe place, well off the roadway.
• Wait until the bus is completely stopped, enter your bus in an orderly manner and take your seat immediately.
• Be courteous to your school bus driver and to fellow passengers.
• All students shall board or exit the school bus only at the students’ authorized bus stop. “Authorized” bus stop is defined as the bus stop closest to the student’s residence. Exceptions to this regulation will be permitted only on a daily basis when the student has a written statement bearing the parent’s signature, and signed by a school administrator. The written statement shall be forwarded to the bus driver.
POSTED BUS RULES OF CONDUCT

DEPARTMENT OF TRANSPORTATION – ALL SCHOOL AND CUSD
REGULATIONS APPLY WHILE ON OR NEAR A SCHOOL BUS

- Fighting (physical contact)**, fighting (verbal altercation)**, threatening behavior and/or harassment, (sexual, racial, gender, etc.) of any kind is prohibited.
- Weapons, smoking, laser pens, drugs, or alcohol is forbidden on or near a school bus.***
- Cross the street in front of the bus and only under the supervision of your bus driver.***
- Follow the instructions of your bus driver at all times.**
- Students are to remain seated and facing the front while the bus is in motion.**
- Keep your arms and head inside the bus at all times.**
- Profanity, indecent language, or obscene gestures is prohibited.**
- Any property defaced or destroyed on the school bus will be paid for by the student and/or parent.*
- Eating, drinking and chewing gum are prohibited.*
- Spitting or throwing objects on the bus or out the window is prohibited.*
- Loud or boisterous noise, singing or whistling will not be permitted.*
- Glass objects, inflated balloons, cleats, radios, tape recorders, roller blades and skateboards will not be permitted.* Animals or insects (dead or alive) are not allowed on the bus.*

Failure to comply with these rules will result in the following:

***Zero Tolerance-10 day suspension from bus
**Level One-5 day suspension from bus
*Level Two-2day suspension from bus

CAFETERIA CONDUCT

- Students eating in the cafeteria are to exhibit good manners and proper behavior.
- Students may talk quietly to persons next to them.
- The table and floor area of each student must be clean before students are excused.
- The cafeteria is to be exited quietly and not hurriedly.
- Wait in the lunch line in an orderly manner.
- Students should arrive for breakfast no earlier than 7:50 AM and no later than 8:05 AM.
- Students arriving after the bell rings will not be served breakfast.
- Students that are delinquent on their lunch account will need to pay their bill prior to receiving a hot lunch. Lunch accounts can be paid in the front office by cash or check or online with.
- Students without money on their lunch account will be given a cheese sandwich and milk.
- Students are not allowed to share or trade food at any time.

CLASSROOM CONDUCT

- Be in class on time, ready to work with proper materials.
- Behavior must not hinder or disrupt the learning situation.
- Respect the rights of others, school, and personal property.
- Be respectful, courteous and cooperative with school personnel and fellow students.
- Nuisance items, inappropriate to the learning process, are not to be brought on campus.
- Be responsible for assigned classroom tasks.

DISCIPLINE POLICY

Students will be held accountable for their behavior at all times during the school day. Parents will be contacted either by phone, note or letter when discipline matters arise. The following is the basic procedures for handling minor disciplinary offenses at Mickey Cox Elementary:
• **1st Offense:** Teacher warning. Counseling with student, restatement of rules and acceptable behavior (documented).

• **2nd Offense:** Teacher/student conference. Parent contact. Teacher disciplines within the classroom may include, but not limited to, loss of recess, recess study hall, after school detention, yard cleanup, etc.

• **3rd Offense:** Teacher/student conference. Parent contact by phone. Further discipline penalties may include after-school detention.

• **4th Offense:** Office referral to GIS or Principal. Parent contact by phone. Further disciplinary penalties.

• **5th Offense:** Office referral to GIS or Principal. Parent conference with GIS or Principal. Removal from school.

Three suspensions may result in a referral to Student Services and School Attendance for Alternative Placement. In case of severe misbehavior or defiance, all or part of these steps may be bypassed.

• Detention – Detention may be assigned to students that are not completing assignments and/or have exhibited inappropriate behavior. Detention days are Tuesday and Thursday from 3:00-4:00. The detention room and supervising teacher changes on a weekly basis.

**GRASS AREA AND BLACKTOP CONDUCT**

- No tackle types of games are allowed.
- No wrestling is allowed.
- Tag games that lead to "rough housing" are not to be played.
- After a rain, students will stay out of puddles or muddy areas. This rule particularly applies to the playground equipment area near blacktop.
- Some acceptable games or activities for the grass area are: touch football, soccer, playing catch, kicking ball to one another, kick ball, softball (in season), and practicing goal kicking.
- All students are to stop playing when the first bell rings and bring equipment to your line.
- Games acceptable on the blacktop are: basketball, volleyball, hop scotch, four square and jump rope.

In general, games that promote physical and/or aggressive behavior, that may endanger student safety, are not allowed.

**NUISANCE ITEMS**

*Students should not bring seeds, candy, or gum to school.* These items are not allowed on school grounds or buses because they get on chairs, the grounds, desks, and tables. These items will be confiscated. **Cameras, iPods, iPads, hand held electronic gaming systems, cards, matches, and other toys are considered "nuisance items" and should not be brought to school.** The students with these items will be referred to the Principal's office and the items will be confiscated to be returned at the end of the school year.

Cell phones are not to be taken out during the school day. If a student takes their phone out of their backpack it will be confiscated to be returned at the end of the school day. If a student has their phone taken away a second time, the phone will be confiscated and held in the office until a parent is able to retrieve it.

**SCHOOL BUILDINGS AREAS**

- Stay off the grass and flower bed areas.
- Don't cut corners (we want the grass and flowers to grow).
- Students are to take pride in the neatness of our grounds and the cleanliness of our buildings.
STUDENT CODE OF DRESS
The purpose of dress regulations is to help each student set a standard for his/her appearance that is appropriate within the accepted standards. Each student is expected to demonstrate pride in his personal appearance, for it reflects individually on him/her and collectively on the school he/she attends. Daily attire need not be expensive to be attractive and entirely acceptable. It is recognized that any apparel, which draws undue attention to the wearer, tends to distract from the educational process and is therefore inappropriate. Below is a highlight of some of the dress code rules. You may request a complete copy of the dress code or you may download it from the CUSD website. (http://www.cusd.com, Board Policy #2105) Please note that all students attending any CUSD event must be in dress code at all times.

GENERAL RULES GOVERNING DRESS AND GROOMING
• Mickey Cox Elementary School will allow students to wear hats only if the hat is spirit wear from either Mickey Cox Elementary, Clark Intermediate, or Clovis High School. Hats that do not reflect one of these three schools are not permitted to be worn. Beanies must be solid colors.
• Hair shall be clean and neatly groomed.
• Hair styles which cause undo attention are not allowed; e.g. unusual designs, colors, symbols, mohawks, and faux-hawks. Haircuts of unusual shaving, layering, or razor cut markings cause a distraction that is not appropriate at school. Students may be sent home and asked to modify their hair to an acceptable manner.
• Bangs or other hairstyles must not obstruct nor interfere with vision.
• Underwear-type sleeveless shirts, athletic tank tops, beach wear, swim wear, halter-tops, spaghetti straps, bare midriffs or chests are not appropriate or acceptable for school wear.
• Shoulder straps on tops and other clothing must be a minimum of two inches (2”) wide.
• Shorts, skirts and dresses are to be worn no shorter than five inches (5”) above the top of the kneecap, but no shorter than mid-thigh. Athletic shorts with pockets are permissible.
• No camouflage of any color.
• No undergarments showing.
• Illustrations and/or lettering on clothing that are considered vulgar and/or those that make reference to alcohol and/or drugs will not be allowed at school.
• Frayed or torn clothing, or clothing with holes may not be worn on campus.
• Strapless shoes are inappropriate. Shoes must be worn at all times for safety reasons.
• Inappropriate markings, such as removable tattoos, are not permitted.
• Make-up of any type is not appropriate or allowed.

According to the California State Education Code, the final decision of whether the student's appearance is acceptable or not, is up to Mickey Cox Elementary and its Governing Board.
